

Lenders The following list is of lenders that my buyer clients have used in the past. Chartwell Realty and Urban KC Living do not endorse these lenders but know they have been used in the past by clients.

The first step in the home buying process is to get a preapproval letter. Please utilize the following to get approved if you have not done so already.

NOTE If you are thinking about buying a condo or loft, it is more important than I can express that you work with a lender that deals with condos and lofts and has for some time. If not, you may not get the financing you are seeking on the day of close.
